

# Keeping everyone safe

At FMG Stadium Waikato, your health is our number one priority. In response to COVID-19 we have introduced new initiatives including extra cleaning of high touch surfaces and the introduction of hand sanitiser stations throughout the venue.

**Here are some steps you can take to keep yourself and others safe:**

## **Contact tracing**

To assist with contact tracing scan the QR codes conveniently located throughout the stadium

## **Hand washing**

Wash your hands for at least 20 seconds and sanitise regularly

## **Coughing or sneezing**

Cough or sneeze into your elbow or cover your mouth and nose with tissues. Dispose of any tissues in the bin and wash hands thoroughly

## **Personal protective equipment (PPE)**

Feel free to wear your own mask and gloves. Don't be alarmed if you see staff wearing PPE – it is not mandatory but is often preferred

## **Illness**

If you feel unwell you should not enter the stadium – this will help keep yourself and others safe

## **Be kind**

Remember to be kind to other visitors and staff here at FMG Stadium Waikato
